IMPORTANT: If you don't see a specific agency you were looking for, please contact the Associate Director for your campus! They can work with you on additional agencies.

Tools to Research the Agencies

Tool #1: Click on the arrow next to the agency name, which will open up all of the information the agency has provided to the School of Social Welfare:

Home Placements Forms My Details Checks History Documents Agency Submission Calendar

Please provide a thorough description of the student learning opportunities available at your agency.
Students will have the opportunity to provide on-site case management and work with community case managers to help coordinate services. They will assist with the organization of group activities, help with research for grants, do resident int treatment team meetings, maintain client files (both paper and on the internet) and interface with numerous community agencies involved with the residents and their families. There will also be an opportunity to co-facilitate psycho-education therapist.

Does your agency offer student stipends? If yes, please specify amount and criteria.
N/A mileage

Does your agency have evening and/or weekend hours available? If so, please provide a description of the flexible hours available.
Practicum hours generally start at 11:00 am and end at 7:00pm . Transportation is required.ave to determine that at interview.

Tool #2: Click on the “i” symbol next to the agency name to view a google search for that agency, so you can find their website or read other information about the agency:

Name ^	
Alzheimer's Association Heart of America Chapter (Alzheimer's Association)	i 8/
American Red Cross-Midway Kansas Chapter (American Red Cross)	i 8/
Art Cafe (First Church)	i 8/
Ashby House, Ltd	i 8/

Tool #3: in order to view the number of placements potentially available at an agency, see the “Places” column:

Dates	Places	Distance	
3/1/2018 - 4/19/2019		35 miles	
3/1/2018 - 4/19/2019		138 miles	
3/1/2018 - 4/19/2019		2 miles	
3/1/2018 - 4/19/2019		126 miles	
3/1/2018 - 4/19/2019	0	6 miles	
3/1/2018 - 4/19/2019		25 miles	
3/1/2018 - 4/19/2019	1	39 miles	
3/1/2018 - 4/19/2019	1	6 miles	
3/1/2018 - 4/19/2019	1	31 miles	

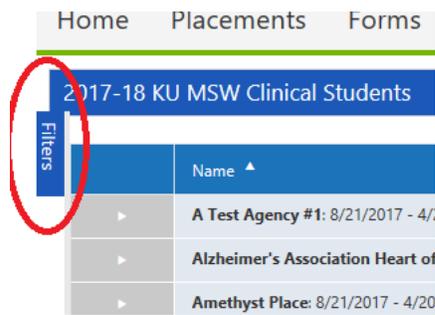

There are a few important caveats to this column. Some agencies are sharing placements between levels; meaning, a “1” in the places category could mean that there is one placement available for either a BSW, MSW Foundation, MSW Clinical, or MSW Macro student. **Please understand that a number here does not mean there is a guaranteed slot available at this agency.**

Another caveat is that some agencies may have nothing in the “Places” column. This does NOT mean that they are out of placements. It means that we have requested placements at their agency and they have not yet confirmed the number of placements yet. These agencies are safe to select as a preference.

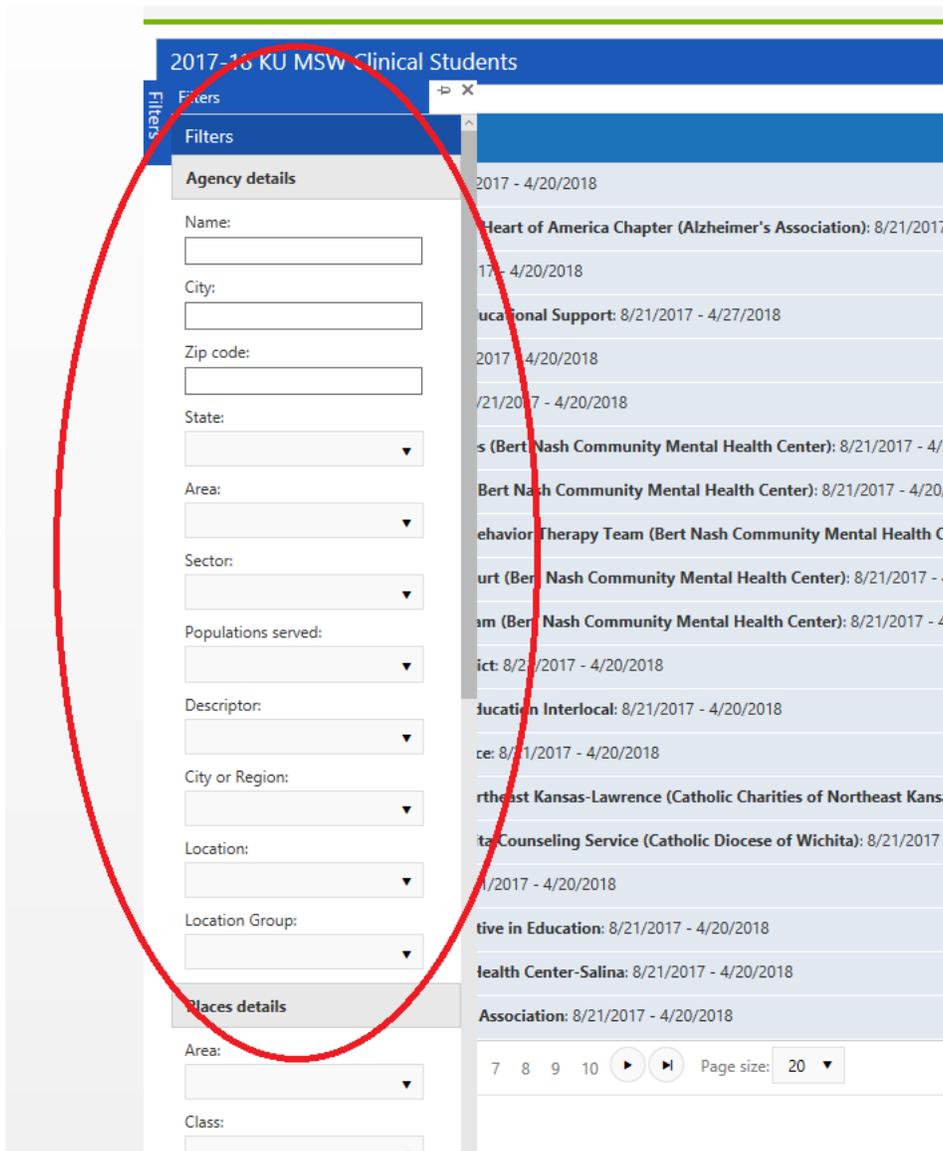

Tool #4: The Distance column indicates how far the agency is from the address that KU currently has on file for you:

Distance	
35 miles	
138 miles	
2 miles	
126 miles	

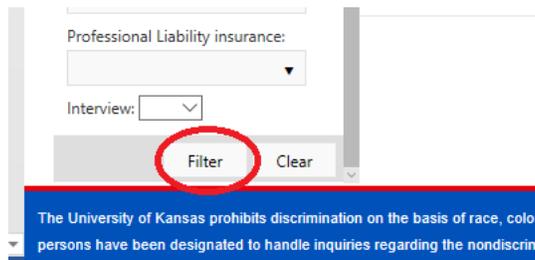

Tool #5: You can filter for various characteristics of the practicum by clicking the “Filters” button on the far left edge of the screen:

This will open up a list of potential filters/searches. The most helpful categories for you will be Name, City, Populations served, or Descriptors. Most of the other categories aren't in wide use yet.

Once you choose your filter, scroll to the very bottom of the Filters list and hit “Filter”. This will bring up a list of agencies that meet your criteria. IMPORTANT: Keep in mind, there are still some agencies that have not entered all of their information, so the information is only as good as what we’ve been provided.

Changing your View: You can view the agencies sorted by any one of these columns. If you want to see the agencies alphabetically, click on “Name”; by distance from you, click on “Distance”:

A screenshot of a table with a blue header. The header has four columns: "Name", "Dates", "Places", and "Distance". The "Name" and "Distance" columns are circled in red. The table contains two rows of data. The first row is for "Alzheimer's Association Heart of America Chapter (Alzheimer's Association)" with a date range of "8/20/2018 - 4/19/2019" and a distance of "35 miles". The second row is for "American Red Cross-Midway Kansas Chapter (American Red Cross)" with a date range of "8/20/2018 - 4/19/2019" and a distance of "138 miles".
